

Miriam's Vision

A Response to the 2005 London Bombings

Dear parents and carers

This term we will be using Miriam's Vision: A Response to the 2005 London Bombings in our lessons.

These resources are about "building an inclusive, non-violent society, respecting fundamental rights", through the curriculum and the story of Miriam Hyman, who was killed on 7/7.

We wanted to inform you about this before it takes place due to the possibly sensitive nature of the activities.

Miriam's Vision is accessible online: miriamsvision.org (although we may not follow the lesson plans exactly as presented). Teachers and students have found that the materials are appropriate to the students' age group and to those who may have relevant experiences.

If you have any concerns or questions please do not hesitate to contact me.

Thank you
